Offering Dignity, Hope and Support to Foster Families.

2026 Sponsorship Guide

Our mission is to help foster families change the lives of children ages 0-6 by providing resources that nurture dignity, hope and community.

With Love is a registered 501(c)3 nonprofit organization based in Oregon. Contributions are tax-deductible to the extent allowed by law. EIN: 46-2869595

with love

With Love was founded in 2013 to address a critical gap in support for children in the foster care system. Founder Allie Roth recognized that while resources existed for school-aged children, a significant lack of support was available for the most vulnerable demographic: children under the age of seven. These infants, toddlers, and young children often faced the trauma of entering a new foster home without the essential items every child deserves.

To bridge this gap, With Love created a model to provide customized packages of crucial, on-request goods—like clothing, diapers, gear, and safe sleep spaces—directly to foster and adoptive families.

What began as a targeted response to a community need has grown into a vital statewide resource. Today, With Love supports the retention of families serving an average of 122 children monthly with goods valued at over \$1 million each year — reaching more than 22 counties across Oregon and SW Washington, with our impact growing each year.

All united by a single mission: to wrap these precious children in the warmth of a caring community.

CAR SHOW

Join us for With Love's Annual Car Show, an event where a passion for cars directly supports children in foster care. This mission is deeply personal for our Executive Director, Vennisa Gomez-Gerberg. Her journey began at age two when she entered foster care before being adopted. This experience later inspired her to become a resource parent herself, opening her home to many children over 14 years.

Now, as the proud owner of her dream car—a 1964 Chevy Impala—Vennisa is thrilled to unite her two communities. This event brings together her passion for classic cars and her lifelong commitment to the fostering community, all to fuel With Love's vital mission.

In 2025 we hosted 87+ vehicles, 2 food vendors, 10 merchant vendors and over 200 guests.

Season of Giving

📍 TBD

"...In all seriousness, it's hard to put it all into words...After leaving this event with our stroller overflowing with Christmas gifts, my husband and I discussed how we are blown away by the generosity of this organization. We left equipped to spoil our small children this Christmas season. That's something we don't do often due to the large size of our family. And just the anticipation of how excited the children will be to open their gifts makes us feel spoiled. I actually had a hard time sleeping Saturday night because I was so excited"
