The Foundation of with love

With Love was founded in 2013 to address a critical gap in support for children in the foster care system. Founder Allie Roth (a former elementary school teacher in the Beaverton School District) recognized that while resources existed for school-aged children, a significant lack of support was available for the most vulnerable demographic: children under the age of seven. These infants, toddlers, and young children often faced the trauma of entering a new foster home without the essential items every child needs to feel safe and thrive.
To bridge this gap, With Love created a model to provide customized packages of crucial, on-request goods—like clothing, diapers, gear, and safe sleep resources—directly to foster and adoptive families.

What began as a targeted response to a community need has grown into a vital statewide resource. Today, With Love supports the retention of foster families, serving an average of 131 children monthly with goods valued at over $1 million each year — reaching more than 23 counties across Oregon and SW Washington, with our impact growing each year.

We can show up with radical generosity because our community is radically generous with us!

Our Foster Family Reach in 2025

At With Love, we're deeply committed to serving every child ages 0–6 who enters foster care—meeting their needs from the moment of placement and every 90 days after. Across Oregon and Southwest Washington, the need continues to grow, and thanks to your support, so does our impact. Together, we can dream bigger, expand our reach, and strengthen the systems that allow us to meet each child right where they are—quickly, compassionately, and without delay.

Every Day, With Love

Behind every pick up and delivery we hand a family is a lot of love and thoughtful planning thanks to our community. Children are entering foster care with merely the clothes on their backs. Thanks to the radical generosity of our community, we can show up and ensure a child has not only their basic needs met, but that their favorite colors, characters and basic care needs are considered in every request as our team prepares their package for pick up or delivery.

Here's a look at what your year-round support makes possible:

Matches that Ignite Generosity

The Special Appeal is most powerful when the room hears “We have a matching gift!” Whether you match $1,000 or $25,000, every Matching Gift Partner adds to that momentum. Each match inspires the next wave of giving, so more children in care arrive in their new homes with dignity and care. All Matching Partners will be proudly recognized from the stage. Contact Vennisa if you are interested in offering a matching gift during the Special Appeal.

WITH LOVE

CAR SHOW

Now in its fourth year, With Love's Annual Car Show has become a tradition where a passion for cars directly supports children in foster care. This event is deeply personal for our Executive Director, Vennisa Gomez-Gerberg, whose personal journey began at age two, when she entered foster care before being adopted. Later, she became a relative foster parent and, over 14 years, welcomed many children into her home.

Now the proud owner of her dream car, a 1964 Chevy Impala, Vennisa created this event to unite her two communities: car enthusiasts and the fostering community. What started as a dream has grown into a celebration that grows each year. In 2026, we welcomed 80+ vehicles, 14 merchant vendors, 3 food vendors, over 200 guests, and received local recognition on Channel 12 news two years in a row. The Mayor of Tigard even joined our event!

SEASON OF GIVING

The holidays can be magical, but for a child in foster care, they can also be really hard. Many are spending the season in a new home, learning new traditions, and missing the familiar ones. For resource parents, often caring for several children at once, the cost of making the holidays special adds up fast.

That's why we host our **Season of Giving Holiday Event supporting nearly 250 households.** At this no-cost event, foster and adoptive parents shop for new toys, stocking stuffers, and pajamas for the children in their care. While volunteers provide on-site child care and wrap their gifts, parents connect over breakfast and coffee with others who understand the journey.

For parents, it's a rare, calm morning to prepare for the holidays with dignity and without stress; a reminder that their community is behind them.

For children, it's the joy of new gifts chosen by someone who knows them best, and a message that says: you belong.

Be the reason every child has a gift to open. Sponsor our Season of Giving Holiday Event.

"My 6 year old LOVES With Love! He asks randomly if With Love is coming. He was in bed when our last delivery came, but woke up in the middle of the night to use the bathroom, was still super sleepy and moving slow, but passed a With Love bag, read it and all of a sudden was wide awake "WITH LOVE!!!! We got WITH LOVE?!?" It was hilarious! (Also I mentioned he loves vtech marble rush, and got a kit! Thank you!!! He's been obsessed with it the last few months and keeps asking to get them for Christmas!)"
